

CELEBRATING COMMUNITY ACTION

HUMBER ECO FEST

22nd October - 11th November

Celebrating community action,
building resilience & regenerating our
unique wildlife habitat.

21 exciting days of opportunities for you
to join in, celebrate & learn

CELEBRATING COMMUNITY ACTION

HUMBER ECO FEST

Are you making a difference?

Tackling **climate change**, developing resilience, protecting **biodiversity**, ending food poverty, reducing waste & **regenerating** your area?

Let us know, so we can all celebrate your actions.

Let's take a snapshot of the positive action happening right here, right now around the Humber.

We have workshops, talks, family crafts, photo-walks, exhibitions, garden tours, repair cafes, quiz nights, discussions, performances, beach cleans and forest schools opening their doors. More are joining in every day!

Add your project to the map! Scan the QR code or visit **creativeandcultural.co.uk**
